

What do you see in the cloud?

If you said, two phones for the price of one,
you'd be right. **Imagine that.**

Our August BoGo Promo was such a hit, **we're extending the deadline a month** – so you can increase your sales even more!

What a fantastic phone deal. When your customers buy one Cisco SPA303 phone at \$119, they get a second phone free, of equal or lesser value*.

Each pair of phones includes one line of Presence monitoring, so admins can monitor call status and see who's busy, available or on hold.

Customer free phone credit procedure

please send an email to resellercredits@ringcentral.com with the following information:

Subject line: September BoGo Promo

RingCentral Partner ID

Customer's New RingCentral Phone Number

The offer has been extended to September 30, 2012, so help your customer's make this dream of a deal materialize. If you have any questions and to generate a contract, please contact us at 800-595-8110 option 1 or resellers@ringcentral.com.

**If the customer wants a lesser value phone, we will credit them the value of the phone, If they want a more expensive phone, we will apply a \$119 discount to the phone that they order. The customer will pay full price for free phone, and we'll apply credit to the credit card on file.*

A 1 year contract and a qualifying digital line at regular price are required for each phone. If a customer is currently under contract, no changes are necessary. This applies to any line additions for existing customers or any account activated during the month of August.
